

Motte Historical Car

Saturday ~ September 3rd

Let's get in our Corvettes and drive.... To Menifee.

A roadside treasure trove on Highway 74, Motte Historical Car Museum. There is something to learn and something to see at every turn. From the '10s to the '60s, the Barn holds over 25 vintage cars for guests to explore. Each with their own story and place in the family and valley. The car collection tells the story of a community through auto-motives.

After the museum, we will have lunch at Tom's Farms (Corona), this property includes a variety of shops, restaurants, and attractions.

Here's what you need to know:
