

The Nethercutt Collection and Lunch at The Bear Pit BBQ Saturday, November 4th , 2023

The Nethercutt Collection is a multi-storied museum and car collection complex located in Sylmar, California. It was founded by J.B. Nethercutt in 1971 and its centerpiece is the prestigious automobile collection of the Nethercutt-Richards family that contains over 250 cars. It is widely regarded as one of the greatest car museums in the world.

The Bear Pit's story began in the late 1940's, when original owner Ben Baier moved from Missouri and started a small barbeque shack in Newhall, CA. After several years the popularity of his food spread, so he decided to move to northern San Fernando Valley.

Let's spend some time at the Nethercutt Collection and then have lunch together. The cost for the approximately 2-hour tour is \$10. (per person) NO CASH/Credit Card Only.
