I believe the club is off to a great start This month. Club members got together at In-n-Out Burger to honor the memory of Ed Shaver. Members of the club are part of a family. It must be expected that we will lose members from time to time. We have never had a traffic fatality. Members of the club drive safely on the runs we schedule. Marcia and I look forward to new adventures and experiences with the membership!

It is essential that the scheduled runs for the membership are conducted with safety of the members a consideration. Also, consideration must be given to safeguarding Corvettes on the runs as much as possible. I urge members to use a locking device also known as the club. The best locking device locks steering wheel to the brake pedal. I use a club to lock my vehicles whenever I drive them, even if it's just the grocery store.

Crime in the Santa Clarita Valley is up. I encourage Corvette owners to park their vehicles in the garage. A Corvette owner near my home reported that their catalytic converter was stolen. Never underestimate criminals, they are here in ever increasing numbers. I urge our members to also think about acquiring mace or bear spray for personal defense.

I also advocate using evasive action if someone is following you. There's nothing wrong with driving to the Sheriff's Station on Golden Valley. Sheriff won't mind a bit.

The Board needs a Newsletter editor. The job doesn't pay anything, but you will become a key player in the club. Some eighteen years ago my first job with the SCVCC was Newsletter editor. This is a twelve month commitment.

Three months at a glance was sent out separately this month.

In all the years I have been in the SCVCC I have always received respect and help when I asked for it. Many members have motorcycles that they ride. So, if you have a motorcycle, you may find new friends to ride motorcycles with too.

The Santa Clarita Valley Corvette Club is stronger than ever, so let's have fun!

NEW MEMBER RECOMMENDATIONS-if you know a Corvette owner please ask them to a meeting. We are always lookingfor new members who are interested in joining our family of friends. This is *YOUR Club* so let's all take part in making it fun!

In loving memory of our longtime member and friend Ed Shaver, we are saddened to announce his passing on Tuesday, July 16, 2024.

William (Ed) Shaver was a native of West Virginia and was a veteran of the United States Navy Seabees. Ed was a member of the Santa Clarita Valley Corvette Club for nearly twenty years and was always an active and generous part of the organization.

Ed was always ready to roll to the next Corvette event, from local runs to cross country road trips to hospitality at his home. His 85 years were full, and it is our honor to have shared in his adventures.

Ed leaves his wife Deana, who remains as a member of the SCVCC. Let's all give Deana our support in her time of loss.
