The President Speaks

Going forward it is my intent to make having fun socializing and driving our Corvettes the priority. Activities will consist of some places we have gone to in the past and some places we haven't been to before.

I believe the Picnic at Tesoro Adobe Park will be a great success. Christmas Party at Knollwood Country Club is a staple of the Club enjoyed by all who attend. Your Board members are responsive and listen to everyone's suggestions.

We continue to need members to step up and fill vacancies on the Board. We need a Quartermaster and Activities Coordinator.

Elections are coming up for all Board members in June.

Regards,
Dan Stern
President SCVCC

Contact Club President, Dan Stern at myinbox.dstern@gmail.com or sign up at our next meeting.

Let's keep the Corvette Cruisers looking sharp—volunteer today!

BADGE-IT-OR-LOSE-IT

Michelle Veasman Bags the Badge-It-Or-Lose-It Jackpot!

The drought is over, and the cash is claimed! At our April 2025 meeting, club member Michelle Veasman revved up the excitement by winning the \$100 Badge-It-Or-Lose-It pot, ending a five-month streak with no winners. But, as with any great Corvette story, there's a twist that makes this victory even sweeter.

For those unfamiliar, our Badge-It-Or-Lose-It raffle rewards members who sport their club badge at monthly meetings. With no winners since last fall, the pot had grown to a tempting \$100, and anticipation was running high. Flash back to our March 2025 meeting, when the name drawn was Ken Veasman, Michelle's husband. The catch? Ken was nowhere to be found! Per club rules, you must be present to claim the pot, so the pot rolled over, setting the stage for Michelle's big moment.

Fast forward to April, and Michelle made sure she was in the driver's seat. When her name came up, the room lit up with cheers as she claimed the \$100 prize.

Michelle and Ken are club staples, always bringing their Corvette passion and good vibes to our cruises and gatherings. Her win was a crowd-pleaser, with just the right dash of irony to keep us all laughing. So, what's the takeaway? Wear your badge, show up, and maybe nudge your spouse to do the same—you never know when luck might call your name!

Congrats, Michelle, on the well-earned win! Ken, we're counting on you to make the next meeting—badge and all. Want your shot at the next Badge-It-Or-Lose-It pot? Strap on your badge and join us in May. The road to riches starts with you!

FUELING FAMILY BONDS

Family Night

Rev Up for Family Night: Join Us Every 2nd Friday at Route 66 Classic Grill!

Looking for a way to kick off your weekend with fellow Corvette enthusiasts and some family-friendly fun? The Santa Clarita Corvette Club has you covered! Every 2nd Friday of the month, we gather at Route 66 Classic Grill in Santa Clarita for our monthly Family Night—a tradition that’s all about good food, great cars, and even better company.

Route 66 Classic Grill, located at 18730 Soledad Canyon Rd, is the perfect spot for our club to come together. With its nostalgic diner vibe, complete with checkered floors and retro decor, it’s like stepping back to the golden age of cruising. The menu offers something for everyone, from their signature Route 66 Burger piled high with bacon and cheese to fresh salads and hearty sandwiches. Kids love the milkshakes, and let’s be honest—so do we! The outdoor patio gives us a chance to admire our Vettes parked out front while we catch up over a meal.

Family Night is all about keeping things casual and fun. There’s no formal agenda—just a chance to bring your family, show off your Corvette, and connect with the club. Whether you’re swapping stories about your latest road trip, planning the next cruise, or introducing your kids to the Corvette legacy, it’s a night that reminds us why we’re a family on and off the road. Our next Family Night is Friday, May 9th, 2025, starting at 6:00 PM—mark your calendars!

Route 66 Classic Grill has been a Santa Clarita staple for years, and their friendly staff always makes us feel right at home. So, polish up your Vette, grab the family, and join us for a night of nostalgia and camaraderie.

New to the club? Family Night is the perfect way to meet everyone—check out more at scvcc.org. We can’t wait to see you there, cruising down memory lane!

FUELING UP WITH LOCAL FLAVORS

Taste of the Town

Lazy Dog!

On Thursday, April 17, 2025, the Santa Clarita Corvette Club gathered for our monthly Taste of the Town night, and this time, we rolled into the Lazy Dog Restaurant & Bar in Valencia for an evening of great food, great cars, and even greater company. With the sun setting over Santa Clarita, our members headed inside for a night of socializing and savoring some delicious dishes.

Lazy Dog, located at 24201 Valencia Blvd, welcomed us with their signature mountain-town vibe and a menu packed with hearty American classics. From their famous BBQ Ranch Bacon Burger to vegetarian delights like the Sweet & Spicy Tofu Bowl, there was something for everyone to enjoy. The staff, known for their warm service, made us feel right at home, ensuring our group of Corvette enthusiasts had a seamless dining experience.

The highlight of the night? Catching up with fellow members about recent cruises, upcoming events, and, of course, the latest Corvette mods. As always, Taste of the Town was the perfect midweek break to connect with our Corvette family, no club business required—just pure fun and friendship.

A big thank you to Lazy Dog for hosting us and to all the members who made the night a memorable one. Mark your calendars for our next Taste of the Town on May 15th—at Olive Garden! Want to join the fun? Check out our events page at scvcc.org and come cruise with us. See you on the road!

Sunday Vette Ventures

Santa Clarita Corvette Club Shines at the 14th Annual KHTS Home & Garden Show

This past weekend, Sunday, April 27th, 2025, the Santa Clarita Corvette Club made a roaring appearance at the 14th Annual KHTS Santa Clarita Home & Garden Show and Emergency Expo at Central Park in Santa Clarita. As a highlight of the event, our club proudly showcased a stunning lineup of classic and modern Corvettes, drawing crowds of admirers and fellow car enthusiasts alike.

The KHTS Home & Garden Show, a beloved Santa Clarita tradition, featured over 400 local vendors, most of whom are longstanding businesses deeply rooted in our valley. From solar energy solutions to kitchen remodeling experts, pool designers, and local crafters, the event offered something for everyone. Our members strolled through the marketplace, checking out unique home goods, handcrafted jewelry, and the latest in backyard design—some even snagged a few treasures to spruce up their garages for those Vette projects!

Attendees marveled at the sleek lines and vibrant colors of our Corvettes, from vintage to modern C8s, sparking conversations about the history and passion behind each car. The Emergency Expo on Saturday added an extra layer of excitement, with kids climbing aboard fire trucks and watching the Los Angeles County Fire Department demonstrate the “Jaws of Life”—a thrilling reminder of the heroes in our community.

The event wasn't just about cars and home improvement; it was a celebration of Santa Clarita's tight-knit community. Families enjoyed the kid's area with pony rides and pig races, while food trucks kept everyone fueled with tasty bites. For our club, it was a fantastic opportunity to connect with locals, share our love for Corvettes, and even recruit a few new members who couldn't resist the call of the open road.

A huge thank you to KHTS and the event organizers for hosting such a fantastic weekend, and to our members who brought their Vettes and their enthusiasm. Missed it? Don't worry—join us at our next event, the Taste of the Town Night on May 15th at Olive Garden. Keep cruising, and we'll see you at Central Park next year for the 15th annual show!

VETTE VIBES **Your Monthly Dose of Corvette Culture**

Corvette Fun Fact: The Hidden Emblem That Almost Wasn't

Did you know the Corvette's iconic crossed-flags emblem nearly had a very different look?

When Chevrolet was designing the Corvette in 1953, the original plan for the badge included the American flag alongside a checkered racing flag—a nod to the car's U.S. roots and performance pedigree. But there was a hitch: using the American flag for commercial purposes was illegal at the time.

Just days before the Corvette's debut at the 1953 Motorama show in New York, the team scrambled to redesign the emblem. They swapped the American flag for a fleur-de-lis, a symbol tied to Chevrolet's French heritage (thanks to founder Louis Chevrolet), and added a bowtie logo for brand flair. The result? The sleek, timeless crossed-flags badge we know and love today, which has adorned every Corvette since.

Next time you're polishing your Vette's emblem, give a nod to that last-minute save—it's proof that even under pressure, Corvette style always comes out on top!

Shining the Headlights on Our Members

Member Spotlight: Bob Haas – A Life in the Fast Lane

This month, we're thrilled to put the spotlight on Bob Haas, a gearhead with a garage that'd make any car lover jealous and a passion for life that keeps him revving at full throttle. Buckle up as we get to know Bob and his incredible collection!

Bob's automotive lineup is a showstopper. His pride includes a 1970 C3 L48/4-Speed Convertible/Hardtop in Mulsanne Blue, currently under restoration and slated for sale once it's showroom-ready. Then there's his 2016 C7 Z51 Coupe, a head-turner in white with bold red and blue stripes. But Bob's not just a Corvette guy—he also rolls in a 1956 Chevy 2-Door Sedan Del Rey in Candy Apple Blue over Silver Metallic, complete with True-Fire Flames on the front fenders and a jaw-dropping 719 HP supercharged 383 Stroker. Rounding out the stable are a 2014 Mercedes CLS550 AMG Bi-Turbo Sedan in Pearl White and a 2022 Harley Road Glide Special in White Desert Sand Pearl. Yeah, Bob knows how to make an entrance!

Cars and bikes are the obvious stars, but Bob's got more in his toolbox. When he's not wrenching or cruising, you might find him cooking up a storm, hitting the gym, out fishing, shooting at the range, or catching the latest MMA fight.

Bob's a proud dad to two grown kids, both carving their own paths. His 32-year-old daughter, Courtney, runs Teehan Bakery, while his 37-year-old son, Alex, owns Haas Metal Designs and Welding. Bob's also a doting grandpa to one grandson, who we bet is already eyeing those car keys. Divorced and single, Bob's got the freedom to chase his passions—and boy, does he!

With some college under his belt, Bob's now retired but hasn't slowed down. For the past 22 years, he's been thriving in his second career as a Realtor, helping folks find their dream homes while he builds his own dream garage.

Ask Bob for his opinions, and he'll laugh, "Seriously, no one really wants or cares to hear them LOL!" But we're guessing his stories from decades of car shows, open roads, and maybe a few burnout battles would have us all leaning in.

Bob, your collection and energy are what make our club roar. Thanks for sharing your story!

REVVED-UP RECIPES

Food for the Corvette Soul

Raspberry Bars

Nothing says “cruisin’ in style” like a dessert that’s as bold and vibrant as your favorite Corvette! Our Corvette Raspberry Bars are a sweet treat with a tart raspberry kick, layered to mimic the sleek lines of a Vette. Perfect for sharing at our next club meetup or enjoying after a scenic drive. Let’s bake some speed!

Ingredients (Makes 12 bars):

- **For the Crust:**
 - 1 ½ cups graham cracker crumbs
 - ¼ cup granulated sugar
 - ½ cup unsalted butter, melted
- **For the Filling:**
 - 1 ½ cups fresh raspberries (or frozen, thawed)
 - ½ cup raspberry jam
 - 8 oz cream cheese, softened
 - ½ cup powdered sugar
 - 1 tsp vanilla extract
- **For the Topping:**
 - ½ cup white chocolate chips, melted
 - Red food coloring (optional, for a “redline” effect)

Instructions:

- **Build the Chassis:** Preheat your oven to 350°F (175°C). In a bowl, mix the graham cracker crumbs, sugar, and melted butter until combined. Press the mixture into an 8x8-inch baking pan lined with parchment paper. Bake for 8 minutes, then let it cool slightly.
- **Add the Horsepower:** In a blender, puree the raspberries until smooth. Strain to remove seeds if desired. In a separate bowl, beat the cream cheese, powdered sugar, and vanilla until creamy. Fold in the raspberry puree and jam, creating a vibrant red filling. Spread this evenly over the cooled crust.
- **Finish with Flair:** Melt the white chocolate chips and add a drop of red food coloring for a “redline” streak (optional). Drizzle over the raspberry layer in sleek, diagonal lines to mimic a racing stripe. Chill in the fridge for at least 2 hours to set.
- **Take the Victory Lap:** Slice into bars and serve! These treats are as eye-catching as a freshly waxed Vette, with a sweet-tart flavor that’ll have everyone asking for seconds.

Pro Tip: Serve on a checkered napkin for that racetrack vibe, and pair with a hot coffee to keep the conversation as revved up as our engines. Got a dessert recipe to share? Send it to our Newsletter Editor for a chance to be featured!
