THROTTLE THERAPY

SCVCC's August 16th Trip to American Honda!

The Santa Clarita Valley Corvette Club (SCVCC) turned heads and had a blast on Saturday, August 16, 2025, with an exciting cruise to the American Honda Old School Cool Cars, Bikes & Coffee event in Torrance! This free-admission car show, held from 9:00 AM to 12:00 PM at 1919 Torrance Blvd, brought together Vette enthusiasts for a morning of classic car admiration, followed by a tasty lunch stop.

Here's a look back at a day filled with Vette pride and community spirit! The journey kicked off with a meetup at 7:00 AM at Walmart on Newhall Ranch Rd, where members signed waivers and departed at 7:30 AM, cruising in style toward Torrance. The scenic drive showcased our Corvettes' power, with the group arriving just in time to join the event's vibrant lineup of classic cars and bikes.

The SCVCC contingent stood out, with members proudly displaying their rides and connecting with fellow car lovers. After the show wrapped at noon, the group caravanned to In-N-Out Burger at 730 W. Carson St., Torrance (about 3 miles away), for a well-deserved lunch. Over burgers and fries, members swapped stories from the morning and planned future cruises, making the day a perfect blend of automotive passion and fellowship.

A big thank you to all who joined and made this trip a success!

FUELING UP WITH LOCAL FLAVORS

Taste of the Town at Margarita's Mexican Grill!

The Santa Clarita Valley Corvette Club (SCVCC) turned up the heat last month with a memorable Taste of the Town event at Margarita's Mexican Grill, on Thursday, August 21, 2025, starting at 6:00 PM.

This flavorful evening brought members together for authentic Mexican cuisine and lively Vette camaraderie, leaving everyone with a taste of summer to remember! Margarita's Mexican Grill delighted us with its sizzling fajitas, fresh guacamole, and zesty enchiladas, complemented by handcrafted margaritas that added a festive flair. Members savored dishes like spicy carne asada and refreshing mango margaritas, sharing stories from the recent American Honda Old School Cool trip on August 16th and gearing up for the upcoming September Cold Springs Tavern Cruise.

The vibrant atmosphere and delicious food made it a perfect gathering, with Corvettes lining the parking lot for a stunning display. The night was a spicy success, filled with laughter and Vette tales.

A big thank you to all who attended!

Stay updated via scvcc.org, and let's keep the SCVCC spirit cruising strong! See you at the next gathering—thanks for making August 21st a tasty triumph!

VETTE VIBES

Your Monthly Dose of Corvette Culture

As the Santa Clarita Valley Corvette Club (SCVCC) cruises into September 2025, it's time to rev up our appreciation for Corvette heritage with this month's Monthly Dose of Corvette Culture! We're diving into a fascinating piece of Vette history that celebrates the spirit of innovation and performance. Let's hit the road!

The Birth of the Mid-Engine Dream: 1970 XP-882

This month, we spotlight the 1970 Chevrolet Corvette XP-882, a groundbreaking experimental prototype that foreshadowed the mid-engine revolution in Corvette design. Unveiled as a concept car, the XP-882 was Chevrolet's bold attempt to explore a mid-engine layout, a design philosophy that would eventually define the C8 generation. Powered by a 400-cubic-inch V8 engine producing around 370 horsepower, this sleek prototype featured a low, aerodynamic body crafted from fiberglass, with the engine positioned behind the driver for improved weight distribution and handling—a stark departure from the front-engine tradition of the time.

Only two XP-882 models were built, making it an exceedingly rare piece of Corvette lore. Though it never reached production due to cost and engineering challenges, the XP-882's influence lingered, inspiring engineers like Zora Arkus-Duntov to push for mid-engine designs. Fast forward to 2020, when the C8 Corvette debuted with its mid-engine configuration, a direct nod to this visionary prototype. For SCVCC members, the XP-882 is a reminder of how our beloved Vettes have evolved, blending heritage with cutting-edge innovation—a legacy we carry on every cruise.

This historical gem inspires us as we gear up for September events. The General Meeting on September 4th at Santa Clarita Lanes is the perfect venue to discuss Corvette milestones, while the Family Night on September 12th at Route 66 Classic Grill and the Cold Springs Tavern Cruise on September 13th offer chances to admire our rides. As we plan for the Santa Barbara Polo Club outing on September 7th, let's celebrate the XP-882's role in shaping the Vette's future.

Here's to the innovative spirit of the Corvette—see you on the road!

REVVED-UP RECIPES

Food for the Corvette Soul

Corvette Autumn Apple Crisp

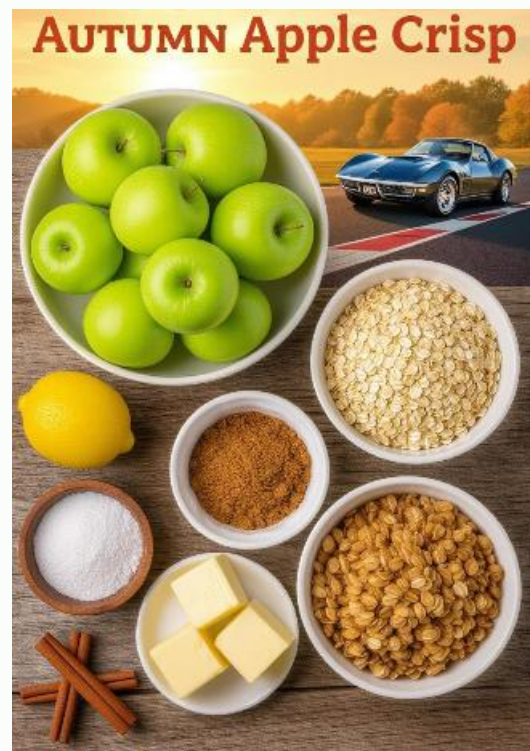

As the Santa Clarita Valley Corvette Club (SCVCC) cruises into September 2025, we're bringing a warm, seasonal treat to fuel your Vette adventures! This easy-to-make dish combines the crispness of apples with a nod to the open road—let's get cooking!

Ingredients (Serves 8):

- 6 cups apples (Granny Smith or Honeycrisp), peeled, cored, and sliced
- 1 tbsp lemon juice
- 1/3 cup granulated sugar
- 1 tsp cinnamon
- 1/4 tsp nutmeg
- 1 cup all-purpose flour
- 1 cup old-fashioned oats
- 3/4 cup brown sugar
- 1/2 cup unsalted butter, cold and cubed
- 1/4 tsp salt
- Vanilla ice cream (optional, for serving)

Instructions:

1. **Prep the Track:** Preheat your oven to 350°F (175°C). Toss the sliced apples with lemon juice, granulated sugar, cinnamon, and nutmeg in a 9x13-inch baking dish. Spread evenly to create your base layer.
2. **Build the Finish Line:** In a bowl, combine flour, oats, brown sugar, and salt. Cut in the cold butter with a pastry blender or your fingers until the mixture resembles coarse crumbs. Sprinkle this topping evenly over the apples.
3. **Cruise to Perfection:** Bake for 40-45 minutes, or until the topping is golden brown and the apples are tender and bubbling. The aroma will fill your kitchen like a Vette on a scenic drive!
4. **Cross the Finish Line:** Let cool slightly, then serve warm. Add a scoop of vanilla ice cream for a cool contrast—perfect for a post-cruise treat!
